

**MR. PUTNAM
FOOTHILL PLUS HIGH SCHOOL
ROOM 216 EXT. 13216
FOR MATH AND SCIENCE**

Student Responsibilities in the Classroom

1. Please respect the order of the classroom.

It is disruptive and disrespectful for students to talk and make noise during lessons, lectures, or other presentations. It is expected that students will follow directions and work on assignments in class when given time to do so.

2. Be on time.
3. Bring books, pencils and journal daily.
4. Dress appropriately following school guidelines.
5. Unless otherwise stated cell-phones are not allowed.

Grading

Students will be graded on the following.

1. Class assignments.
2. Tests.
3. Journals.

*This should contain all class lessons copied onto paper in a 3-ring binder.

Other binders are not acceptable. Checked periodically (by surprise) for neatness, completeness and organization.

The following scale will be used.

- A and 2 credits = 100 to 90%
- B and 2 credits = 89 to 80 %
- C and 2credits = 79 to 70 %
- D and 1.5 credits = 65 to 69 %
- D- and 1 credit =60 to 64 %
- D- and .5 credits = 55 to 59 %
- F and 0 credits = less than 55%

A few side notes from Mr. Putnam

Students are expected to turn in work on time. Late assignments will be reduced by 10 % of the initial point value each day until it is worth 50% of its' original value.

Students who talk or are otherwise disruptive during a test or quiz (whether or not they are finished) are subject to receiving a zero score on that test. Some people are very anxious about math and science and are entitled to a silent room for the entire test.

If you are ever having trouble, please talk to me. I am usually in my room during lunch, and if I am not coaching a sport I will stay after school and help you. It is amazing what a few minutes of personal help can do. This is why I am here.

A special note to parents

Please call me when you feel the need to discuss something. I like talking to parents about their kids' needs and progress. Be sure that you can access Aeries to check your students' grades. My extension is 13216 and I have voice mail. There is plenty of room in class for visitors. So drop by if you like.
